

Scout Training Webinars – Log in instructions

Step 1: Login to the Scout Adobe Connect webinar

Open Internet Explorer or Google Chrome and navigate to the webinar URL you are enrolled in:

- Scout for Teachers Twilight (2 hours registered)
<https://connect.schools.nsw.edu.au/scoutforteachers/>
- Understanding Scout - Adobe connect session – (75 minutes non registered)
<https://connect.schools.nsw.edu.au/scouttraining/>

Once you are on the Adobe Connect page, login using your DoE User ID with **@detnsw** at the end (e.g. **jane.smith90@detnsw**) and enter your DoE portal password.

Note: It is recommended that you login 15 minutes prior to the start of the session. If you have not used Adobe Connect before, there are a couple of points to note:

- A pop up window may appear asking you to add Adobe Connect as an add-in, accept this and wait for the window to load
- To test your audio, follow this link:

Step 2: Identify your school

Next type your school name in the poll pod so that we can track your schools attendance. Please include the number of people in attendance from your school (e.g. **McDonald High School – 7 participants**).

Questions: If you have any questions during the session, type them into the chat area at any time. Please note, the microphone function will be disabled during these webinars, due to the large number of attendees.

Important: Please enjoy your experience. If you do encounter any technical issues you can contact the Scout Training Team to enrol in another session, see support details below.
