A School Day

Reader Notes:

These stories have been designed to help students learn about school so they know what to expect and can learn positive ways to respond to new situations. As a teacher, parent or carer you can help a student by reading through the stories. You could point out how the student's school experience is different and similar to that in the story and come up with other positive ways to respond. We hope these stories can make students feel more confident, safe and accepted at school.

Going to school is fun!

I arrive at school in the morning before school starts.

My family usually drops me off at school.

When I get to school I usually wait outside my classroom for the morning bell to ring.

When the bell goes I put my bag inside and sit down and wait for the teacher.

Then my teacher usually tells us the different activities we will be doing today.

When the bell goes for recess, we eat our snack then we can go outside and play with our friends.

At lunch time we eat our lunch and then play outside.

When it is time for home,
we first pack up our areas
and get our bags ready.

When the bell goes for home time our teacher says goodbye. School has finished!

I take my bag and leave school.

My family might be waiting outside to pick me up or I might catch the bus home.

Going to school is fun!
