

# Stage 4 Italian

## Scope and sequence

### Hi! What's your name? *Ciao! Come ti chiami?*

- Exchange greetings and introductions
- Share information with new friends, including age
- Express where you live and your nationality
- Discuss simple likes and dislikes
- Seek clarification in Italian

### Do you like school? *Ti piace la scuola?*

- Exchange information about school subjects, including when you have them (days and times), preferences and strengths
- Discuss the school day, including start and finish times and how you get there
- Explore the Italian school system
- Describe people at school

### Let's eat! *Mangiamo!*

- Exchange information about food and drink preferences, giving reasons
- Explore mealtimes in Italy and how they may vary in other cultures
- Order items from a menu, using appropriate phrases

### This weekend *Questo fine settimana*

- Discuss activities you like and dislike, and why
- Identify common activities teenagers like to do and places they like to go on the weekend
- Express where you are going and how you're getting there
- Make plans with a friend to do something together
