### Proven offence:

On 24 January 2014, the Department issued a service approval to G8 Education Limited. The service approval amended the name of an existing service to San Mario World of Learning. The service approval stated that the approved number of places was 30. The service approval was never altered to increase the maximum number of children who could attend the service at any one time.

Daily attendance records kept for the period between 1 October 2017 and 30 November 2017 showed that, on each day during that period, there were more than 30 children present at the service premises.

G8 Education Limited:

- failed to comply with the conditions of the service approval by not ensuring that the maximum number of children being educated and cared for by the service at any one time did not exceed 30.
