### Proven offence:

Joys Child Care Limited was an approved provider, which operated an approved family day care service known as Joys Child Care. The Chinese Students Association (“CSA”) was the holding entity of Joys Child Care, although CSA never held a provider approval in its own right.

On 23 December 2016, the Department suspended the provider approval of Joys Child Care Limited. The suspension of the provider approval took effect immediately and also operated to suspend the service approval. The service continued to operate despite the suspension.

On 29 March 2017, the Department cancelled the provider approval. Upon the cancellation of the provider approval taking effect, the provider and service were no longer approved under the National Law.

Despite the suspension of the provider approval and its subsequent cancellation, the service continued to operate, and to advertise, from 24 December 2016 to 30 August 2017. The service operated under the auspices of:

- Joys Child Care Limited between 24 December 2016 and 5 February 2017;
- The Chinese Students Association between 6 February 2017 and 2 June 2017;  
and
- Joys Child Care Limited between 5 June 2017 and 30 August 2017.

On 17 August 2017, the Department executed a search warrant at the service premises and obtained evidence establishing the continued operation of the service.

Between 24 December 2016 and 5 February 2017, and between 5 June 2017 and 30 August 2017, Joys Child Care Limited:

- provided an education and care service without service approval; and
- advertised education and care services for a service that was not an approved education and care service.
