Proven offence:

Ms Vitolia Aualiitia was an educator registered with Two Tiny Bears Family Day Care Service. On 11 January 2018, three children (who were siblings), aged 12, 10 and 6, were being educated and cared for by Ms Aualiitia. At approximately 1:00pm, the eldest child contacted her mother by phone and advised her that all three children had been left alone at City Park, Griffith, for over an hour.

When the child's mother arrived at the park, she noticed her children and a number of other children meant to be in the care of either Ms Aualiitia or Ms Faalai Poto (another educator registered with Two Tiny Bears Family Day Care Service) on the grass area near the playground. At the time of her arrival at the park, the child's mother observed a man wearing a Griffith City Council shirt, who was talking to a child. She did not observe Ms Aualiitia or Ms Poto, or any other adults in the vicinity of the park.

The park contained play equipment, including a flying fox with a sign warning that only children older than 12 years should use this piece of equipment, and a large climbing rope. Adjacent to the park was a canal, which was unfenced, and a public road. The

maximum recorded temperature in Griffith on the day of the incident was 38.5 degrees Celsius.

Ms Vitolia Aualiitia, in her capacity as a family day care educator:

- failed to adequately supervise children by leaving them alone in a park; and
- failed to take every reasonable precaution to protect children from harm and from any hazard likely to cause injury.
