

LEaRN

L

Look and Listen

Find new, interesting words in books, conversations, and other texts and visuals. Draw attention to the first sound of the word and ask the children to repeat the word with you.

E

Emphasise

Emphasise the word when reading and talking, and talk about what it means. Define the word in child-friendly language and give examples of different uses of the word and examples of the word in different sentences.

a

and then...

R

Repeat

Repeat the word in many different sentences every day in a variety of activities. Provide children with activities and opportunities where the word is likely to reoccur.

N

Notice

Notice when the children use the word, acknowledge their use, and give praise!
