

Education Facilities Standards and Guidelines
 Technical Standards - migration to Worksections V1.0

This table outlines the migration of technical standards from the legacy EFSG website to the new EFSG Technical Standards website.

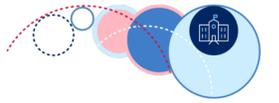

Legacy design guide and specification guide content has been simplified and merged according to Australian Standards numbering, helping our industry partners and other website users to locate targeted information to answer their questions about designing, building and maintaining schools.

| Legacy EFSG | Migration Comments | NEW EFSG - TECHNICAL STANDARDS Website | | | | | |
|---|--|---|---|---|---|-------------------|---------------------------|
| Design Guides | Specification Guides | Document available for download | Design Frameworks | Design Components | AUS-SPEC title under 00 PLANNING AND DESIGN | NATSPEC Workgroup | Natspec Worksection Title |
|  |  |  |  |  |  | | |
| <p>Colour Schemes Administration Communal Hall and Canteen Home Base, Library and Special Programs Toilet Block</p> | | <p>Not migrated. To be defined in future Kit of Parts.</p> | | | | | |
| <p>DG03 Site Selection</p> | <p>School Site Selection & Development Guideline</p> | <p>DG03 Site Factors superseded by Design Framework - Site Selection</p> | <p>Site Selection and development</p> | | | | |
| | <p>Master Planning Guidelines for Schools</p> | | <p>Master planning for schools</p> | | | | |
| | <p>Design for Manufacture and Assembly (DfMA) Guidelines</p> | | <p>Standardised approach</p> | | | | |
| | <p>Standard Hub Layouts New Primary Schools</p> | | <p>Primary School - Functional Relationships, Hub & Layouts and Accomodation Schedule</p> | | | | |
| | <p>Standard Hub Layouts New High Schools</p> | | <p>Secondary School - Functional Relationships, Hub & Layouts and Accomodation Schedule</p> | | | | |
| <p>DG00 Overview</p> | <p>DG01 Whole of Life</p> | | | <p>0001r Design Reference - General</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG19 Access for People With Disabilities</p> | | | | <p>0001c Design Checklist - Accessibility</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG11 Acoustics</p> | | | | <p>0001c Design Checklist - Acoustics</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG10 Area</p> | | | | <p>0001c Design Checklist - Areas</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG16 Building Regulations & Building Code of Australia</p> | | | | <p>0001c Design Checklist - Building Regulations</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG13 Bushfire Protection</p> | | | | <p>0001c Design Checklist - Bushfire Protection</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG08 Circulation</p> | | | | <p>0001c Design Checklist - Circulation</p> | <p>00 PLANNING AND DESIGN</p> | | |
| <p>DG96 Civil Works</p> | | | | <p>0001c Design Checklist - Civil Works</p> | <p>00 PLANNING AND DESIGN</p> | | |
