

Activity 3

Exploring occupation videos

Introduction

The purpose of this activity is to introduce you to the range of interesting video material available on myfuture about occupations.

Objectives

- To help you navigate the wide range of occupation videos available on myfuture.
- To help you gain awareness of the scope of choices associated with occupations.
- To help you gain understanding of what different occupations entail.

Instructions

1. Go to <https://www.youtube.com/user/myfutureAustralia>
2. Choose five videos based on occupations that you would like to know more about. The videos will give you an insight into the day-to-day roles of different occupations, and they may also help to influence your decision to follow a certain career pathway.
3. Watch all five of your chosen occupation videos to research your answers to the below questions.

Each video runs for approximately 3 minutes so if time allows, you may like to watch it more than once.

Questions

Using your chosen occupation videos, write down your answers to the following questions:

- Name at least three of the main duties and tasks performed in this occupation.
- Would you like to do this job? Why or why not?
- List some things you learnt about this occupation.
