Master Menu Application form  
for licensed providers

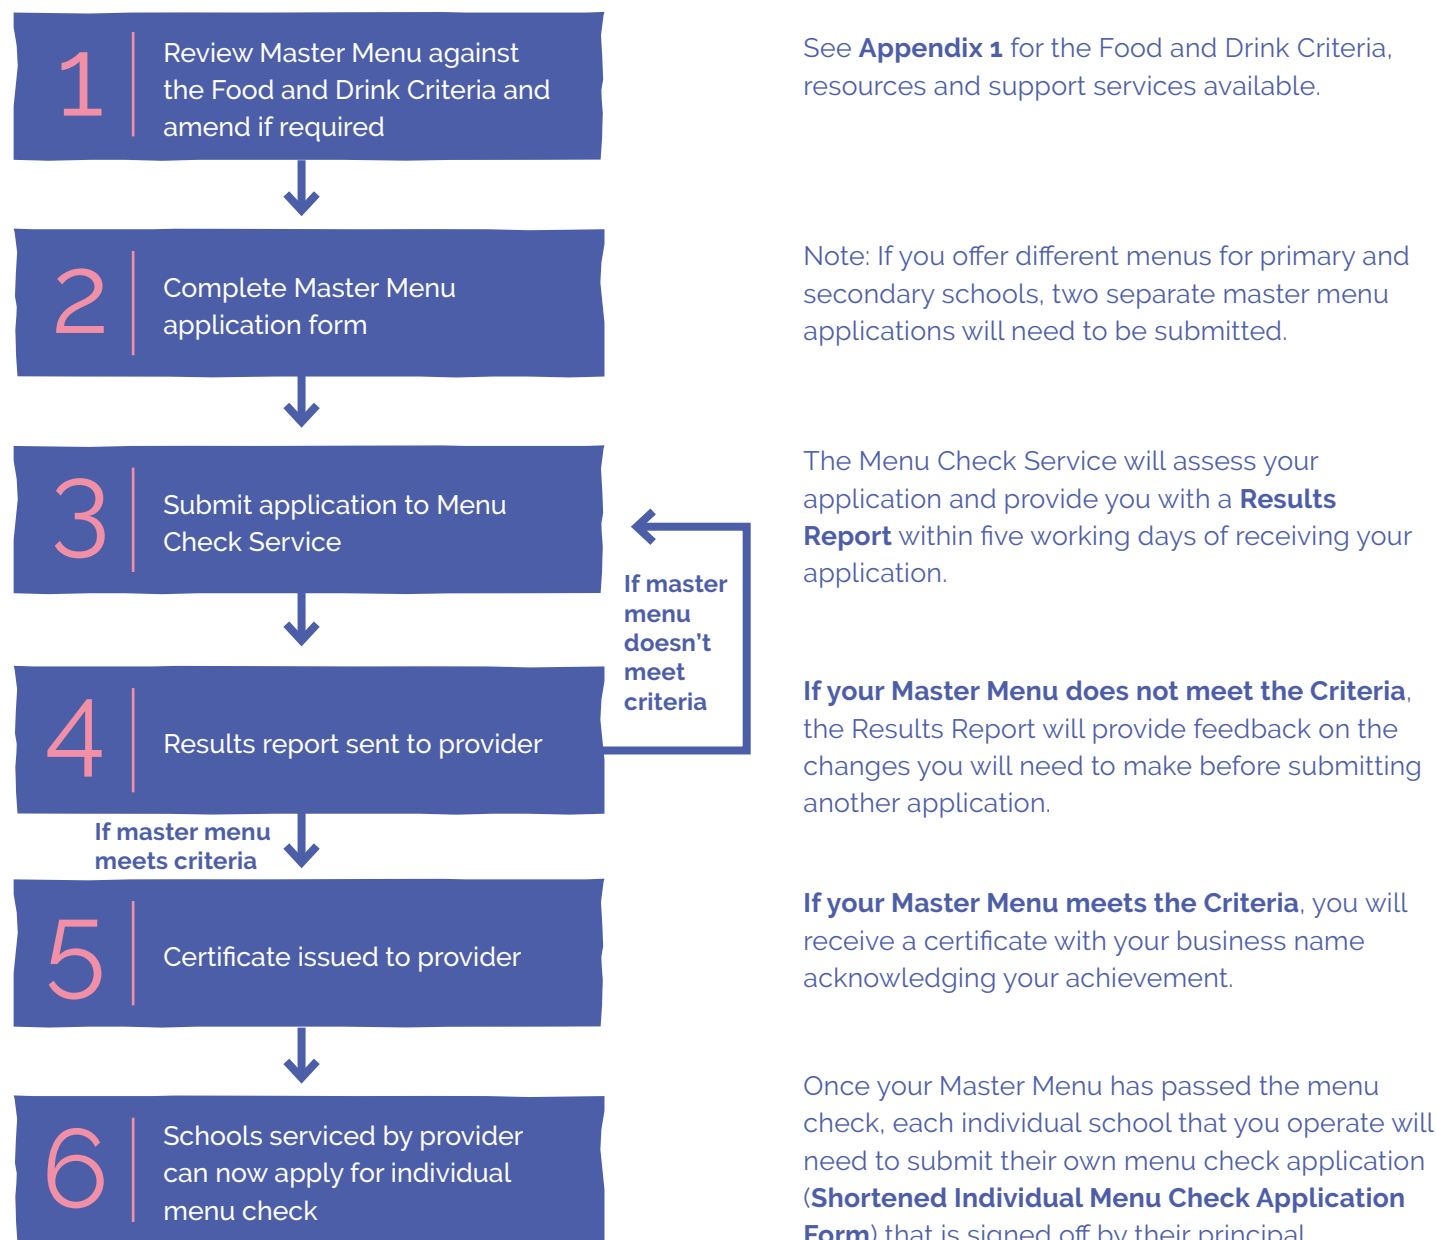

# MASTER MENU APPLICATION PROCESS

The NSW Menu Check Service is a free service that verifies whether a canteen menu is meeting the Food and Drink Criteria (the Criteria) of the NSW Healthy School Canteen Strategy.

This application form allows you as a licensed provider to submit your overarching general menu, referred to as a 'Master Menu,' for assessment against the Criteria. When your Master Menu has passed the menu check, the individual schools you operate can then submit a 'shortened individual application form' that asks about promotional practices and any foods or drinks sold at that school that are not on your Master Menu. Please refer to the **Fact Sheet for Licensed providers** for more information on this process.

Before completing and submitting this application form, you should spend time reviewing your Master Menu against the Criteria. This will ensure your menu has the best chance of achieving the Strategy.
