

Personification lesson: Personification sentences

Learning intention:

To learn to create examples of personification.

To be successful, I will:

- Visualise my human characteristic and noun pair
- Create a sentence
- Check my sentences used correct punctuation and grammar
- **Challenge:** Add an adverbial or an additional human characteristic such as a gender or an additional action like somersaulted or cried.

Noun	Human characteristic	What can you visualise (Drawing or words)	Sentence
