

HSC Strategy

School Implementation Pack Term 1 2022

Introduction

The HSC Strategy provides research-informed professional learning programs for Stage 6 teachers.

Its purpose is to support teachers to improve student achievement collectively, regardless of a student's postcode or school's socio-economic status and to increase the number of students who achieve in top bands in the HSC.

The HSC Strategy School Implementation Pack gives practical ideas to support school implementation of HSC Strategy practices.

The content of the pack is contributed to by a community of expert and practicing HSC teachers, curriculum experts, lead educators and academic partners.
