

HSC Strategy

School Implementation Pack

Term 1 2023

The HSC Strategy provides research-informed professional learning programs for Stage 6 teachers.

Its purpose is to support teachers to improve student achievement collectively, regardless of a student's postcode or school's socio-economic status and to increase the number of students who achieve in top bands in the HSC.

The HSC Strategy School Implementation Pack provides practical ideas to support school implementation of HSC Strategy practices.

A community of expert and practising HSC teachers, curriculum experts, lead educators and academic partners have contributed to the content in this pack.

15 mins	Wrap up	To conclude and decide next steps in the use of powerful combinations of high leverage strategies in your school.	Workshop leaders facilitate wrap up and record next steps.

Pack wrap up

School leaders have told us how they want to engage HSC Strategy practices with colleagues in school:

“Sharing and applying knowledge and skills gained from the PL with the school to build the capacity of all HSC teachers.”

“Implement a school-wide opportunity for all Stage 6 teachers to complete HSC Professional Learning as a part of our school PL program.”

“I appreciate the HSC Strategy webinar to unpack some of the resources for implementation across the school and will explore these more closely with my Teaching and Learning team to determine how to best implement at this stage.”
