

## COVID-19 attendance advice for families

[NSW Health](#) issued new COVID-19 advice for schools on 14 August 2020. This changes the way our schools operate.

Children who are sick with flu-like symptoms, even if they are mild symptoms, should stay home. Children who become sick at school will be kept in the sick bay and arrangements will be made for them to be collected.

- NSW Health have requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the [COVID-19 clinics](#)
- Students and staff with flu-like symptoms will need to provide a copy of a negative COVID-19 test result before being permitted to return to school.

## Telephone Interpreter Service

If you need further information please call your school principal. If you need an interpreter to assist you with your enquiry please call the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. This service will be free of charge to you.
