

Voluntary contributions

Dear parent/carer

We have a commitment to ensuring that every student in NSW has access to high-quality public education in public schools.

While instruction in public schools must be provided free of charge, we are extremely grateful that some families choose to make voluntary financial contributions to our school.

As well as this contribution, we may ask parents to contribute to some other costs throughout the year. These costs sit outside delivery of the core curriculum and participation is optional for families. This may include excursions or extracurricular activities. You will be advised if any of these items have associated costs.

While we greatly appreciate these contributions, no one should feel pressured to financially contribute to their child's public school.

You can make a voluntary contribution at the following link:

Your child/children will not be disadvantaged if you are unable to meet these costs due to financial hardship. If you need help from the school, you can apply for confidential support by talking with your school principal.

If you would like further information, please do not hesitate to contact me.

If you need interpreter assistance to contact the school, please call 131 450. Tell the operator the language you need and the phone number of the school. The operator will phone the school and get an interpreter on the line to assist you with your conversation. You will not be charged for this service.

Kind regards

Principal
