

# Workplace gender affirmation checklist

**Confidential –contains personal and health information.**

The workplace gender affirmation checklist is designed as a guide for employees, managers and other relevant areas of the department supporting an employee affirming their gender.

Additional steps may be included, and others removed, as agreed between the employee and their manager.

This checklist may be used by an employee to develop their own plan or to tailor the workplace gender affirmation plan template.

At the core of this process is the employee, and written consent is required before the disclosure of any information about an employee’s gender affirmation and gender.
