## The \*Behaviour code for students\*

The Behaviour code for students says how students should behave to make sure schools are safe and **\*inclusive\***.

Inclusive means everyone gets the same opportunities.

All students have a right to

- be safe at school
- take part in their learning
- be treated with respect
- say what they need and want.

## What students must do at school

Students should try hard to learn.

Students should show respect to

- other students

- teachers

- school property.

Students should

- follow school rules

- be kind to others

- go to school every day.

Students should be safe and make good choices.

Students must not bully others.

Students must not bring weapons, drugs, vapes or cigarettes to school.

Students must not treat others differently because of

- their disability

- their culture or religion

- their gender

- something else about them.

## \*Positive behaviour\*

Positive behaviour means students follow school rules.

Students should do their best to

- follow school and class rules

- care for themselves and others

- act in a safe way.

Students should think about other students'

- interests and abilities

- learning needs.

Students should try their best at school.

Students should

- take care of school property

- wear their school uniform.

- come to school and class on time.

## What schools will do for students

Schools will help make sure students

- are safe

- get the right support

- have a good place to learn.

The principal and school staff will

- help students follow the rules

- talk to students who break the rules.
