

Finished Year 12? Looking to secure your future?

A NSW Infrastructure Traineeship can give you a headstart in your future career.

How does the NSW Infrastructure Traineeship work?

- The two-year traineeship program combines practical work while studying for a Certificate IV at TAFE NSW.
- The infrastructure sector includes private companies in construction, infrastructure, real estate and property, as well as local councils and a range of NSW government agencies, such as Transport for NSW, NSW Health, and NSW Department of Education.
- Trainees get experience over the two years with three eight-month work placements – in government, in industry, and in consultancy.
- Trainees will be able to study for a Certificate IV in Business, Project Management Practice, Procurement and Contracting.

Who is this program for?

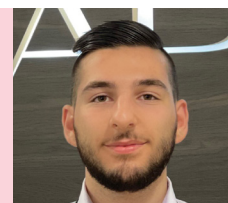

This program is for you, if you are:

- a school student finishing year 12 or
- have finished year 12 and are unsure what to do next.

What Traineeship graduates say

“It’s an awesome program if you’re unsure of what you’re doing outside of school.”

Samuil Angelkoski, Traineeship Graduate

“I gained a whole world of experience and knowledge firsthand in the construction industry while learning about it.”

Amanda Bruhn, Traineeship Graduate
