

**School Based Apprenticeship**

# Hairdressing

The Certificate III in Hairdressing develops the practical and technical skills required by apprentice hairdressers, and the underpinning knowledge needed to apply those skills in a hairdressing workplace.

Hairdressers use a range of well-developed sales, consultation and technical skills and knowledge to provide a broad range of hairdressing services to clients. They use discretion and judgement to provide client services and take responsibility for the outcomes of their work. This qualification provides a pathway to work as a hairdresser in any industry environment, usually a salon.

### Outcome on completion of your HSC

- Statement of Competencies Achieved for Certificate III in Hairdressing SHB30416 in SHB Hairdressing and Beauty Services Training Package.
- A career path in the Hairdressing trade.
- Continuation in the Hairdressing apprenticeship full time post school.

### Course delivery

- Will be delivered both on the job and off the job.
- Two years part time during school, followed by two years full time post-school in both on and off the job training.

### Commitment required

- Undertake a minimum of 100 days in paid employment during school plus the formal training required for the qualification.
- Undertake Certificate III Hairdressing, and complete Stage 1 of this qualification by the end of your HSC.
- The employment and training can be undertaken during school time, after school and during school holidays.

### How will you be assessed?

- Both on the job and off the job through written tests, project work and practical exercises.

Course	ATAR eligibility	HSC unit credit
<b>Hairdressing</b>	No	Minimum of 4 units over two years towards your HSC for the formal training component (VET course).
<b>Industry-based Learning course (optional)</b>	No	This optional course recognises the significant work component involved in the school based apprenticeship.  The course offers an additional 4 units credit towards your HSC.  This HSC VET course does not contribute towards the calculation of the ATAR.
