

**School Based  
Traineeship**

# Aboriginal & Torres Strait Islander Primary Health Care

This qualification covers workers in a range of roles who provide assistance to support the provision of health care services to Aboriginal and/or Torres Strait Islander clients. Trainees will learn to undertake a range of tasks under direct supervision to support the provision of health care services to Aboriginal and/or Torres Strait Islander clients. They may learn the job roles of:

- trainee health worker
- assistant in a rural or urban environment
- delivering limited health care services to clients living in communities that are isolated from mainstream health services.

### Outcome on completion of your HSC

- Qualification in Certificate II in Aboriginal and Torres Strait Islander Primary Health Care HLT20113 (NRT). Health Services Training Package HLTv3.1.
- Work as an Assistant in Aboriginal and Torres Strait Islander Primary Health Care and a career path into the Health Services sector.

### Course delivery

- Both on the job (clinical placement) and off the job and will be delivered face-to-face.

### Commitment required

- Undertake a minimum of 100 days in paid employment and training.
- Complete Certificate II in Aboriginal and Torres Strait Islander Primary Health Care HLT20113 (NRT).
- The employment and training can be undertaken during school time, after school and during school holidays.

### How will you be assessed?

- Both on the job and off the job through written tests, project work & practical exercises.

Course	ATAR eligibility	HSC unit credit
<b>Aboriginal and Torres Strait Islander Primary Health Care course</b>	No	6 units over two years towards your HSC for the structured training component (VET course) undertaken as part of the school based traineeship.
