

School Based Traineeship

Construction

Construction trainees will acquire basic skills and knowledge relevant to construction, maintenance and renovation practices in the residential sector undertaking a range of support tasks applicable to a majority of construction work sites. You will learn to plan and organise work, carry out measurements and calculations, read and interpret plans and specifications, use construction tools and equipment, apply basic levelling procedures, carry out concreting to simple forms and apply occupational health and safety principles.

Outcome on completion of your HSC

- Certificate II in Construction qualification CPC20112 in CPC08 Construction, Plumbing and Services Training Package.
- Articulation into various trade apprenticeships in the Construction industry.
- A career path into the construction industry.

Course delivery

- On the job and off the job and can be delivered face-to-face, flexibly or mixed mode.
- The SBT term is calculated in months from the date of commencement to 31 December of the HSC year.

Commitment required

- Undertake a minimum of 144 days in paid employment and training.
- Undertake Certificate II in Construction as part of your HSC.
- The employment and training can be undertaken during school time, after school and during school holidays.

How will you be assessed?

- Both on the job and off the job through written tests, project work and practical exercises.

Course	ATAR eligibility	HSC unit credit
Construction	Yes	4 units over two years towards your HSC for the formal training component (VET course).
Industry-based Learning course (optional)	No	This optional course recognises the significant work component involved in the school based apprenticeship. The course offers an additional 4 units credit towards your HSC. This HSC VET course does not contribute towards the calculation of the ATAR.

For further information about how to sign up to this school based traineeship please speak with your Careers Adviser or visit our Internet site at www.education.nsw.gov.au/sbat
