What the outcome terms mean:

Outcome	Description
Offer	The student is being offered a place at the school. Parents/carers must accept or decline the offer.
Reserve	The student is on the reserve list (waiting list) for that school and is not yet eligible to be made an offer. The student will receive an offer only if their position on the reserve list is reached.
Unsuccessful	The student was not successful for placement at that school choice and is not on the reserve list.
N/A (not applicable)	The application for this school is not considered because the student was offered a place at their first choice school.

Examples of placement outcomes

Offer only

When an offer is made for the first choice school, the student's second choice school is no longer applicable and marked as N/A. Students are offered the highest school choice for which they qualify. Once an offer is made for the first choice school, an applicant cannot change the offer to their second choice school.

The screenshot shows a web interface for managing student applications. At the top, there is a breadcrumb trail: Home > Dashboard > Outcomes. Below this, the student application details are displayed in a form-like layout:

- Student application:** C23000004
- Student name:** Sample Student
- Placement process:** Opportunity class for 2023/2024

A green button labeled "Student performance report" is positioned to the right of the student name. Below the details is a section titled "Outcomes" containing a table with the following columns: Choice, School, Outcome, Reserve band, Outcome sent, Response due, Response, and Action.

Choice	School	Outcome	Reserve band	Outcome sent	Response due	Response	Action
1	Matthew Pearce Public School (Baulkham Hills)	Offer		18/09/2023			Accept Decline
2	Ironbark Ridge Public School (Rouse Hill)	N/A		18/09/2023			Accept Decline

Below the outcomes table is a "History" section with a table containing columns: Date, School, Action, and Who.

Date	School	Action	Who
13/10/2023	(MAT) Matthew Pearce Public School	Response due 15/10/2023	Selective Education Unit

Offer with higher choice school 'Reserve'

Parents/carers decide whether to 'Accept' or 'Decline' the offer. The student will remain on the Reserve list for the first choice unless you select 'Withdraw.' As an example, you may wish to withdraw from the Reserve list because you are satisfied with the offered school.

The screenshot shows a web interface for managing student applications, focusing on the "Outcomes" section. It contains a table with the following columns: Choice, School, Outcome, Reserve band, Outcome sent, Response due, Response, and Action.

Choice	School	Outcome	Reserve band	Outcome sent	Response due	Response	Action
1	Matthew Pearce Public School (Baulkham Hills)	Reserve		18/08/2023			Withdraw
2	Ironbark Ridge Public School (Rouse Hill)	Offer		18/08/2023			Accept Decline

Reserve only

Choice	School	Outcome	Reserve band	Outcome sent	Response due	Response	Action

If you believe you have grounds for an appeal against this outcome you may lodge an appeal within 5 working days of the release of outcome.

History

Date	School	Action	Who
There is no history to show.			

Accepting or declining an offer

If you wish to accept an offer, select 'Accept' in the 'Action' column for the school that shows an offer. You must select 'Accept' by the response due date shown **or you will lose the offer**. If you accept the offer but change your mind later, you can then decline it at that later point.

Important

If you decline an offer, you cannot get the offer back – the place will be offered to the next eligible student.

If you already know that you do not want to accept an offer, please select 'Decline', so that the place can be offered to another student.

Reserve lists

If the outcome is showing as 'Reserve' it means your child is on the reserve list (waiting list) for that school (or schools). You may be made an offer later if your child's position on the reserve list is reached before all vacancies places are filled.

Important

Students on reserve lists are not guaranteed an offer of a place.
The reserve list varies in length for each school.

Students who are on a reserve list and do not hold another opportunity class offer, may be offered a place from the reserve list if their position is reached any time up until the end of Term 1, 2025.

Refer to 'Reserve lists – locking date' below for advice if you have accepted an offer but also remain on a reserve list at the beginning of the school year.

Important

To remain on the reserve list after this date, the currently accepted offer must be declined before that date.

Reserve list and an offer

If you accept an offer for the second choice school, your child may also remain on the reserve list for your first choice school.

If your child's reserve list position for the first choice school is reached, you will receive another offer. If the subsequent offer is accepted, the original offer is automatically declined. If, however, you decide to decline the second offer, you will keep your child's original offer (unless you actively decline that as well).

If you decide that you do not wish your child to remain on the reserve list for a school, select 'Withdraw'.

Reserve lists – locking date

If you have accepted an offer and your child is also on a reserve list, your child's name will be removed from the reserve list by **5 pm Thursday 18 January 2024**.

Declining a reserve outcome

If your child is on a reserve list but you do not want your child to be on the reserve list for that school, please select 'Withdraw'. You cannot change this decision later.

Aurora College

There is no reserve list for Aurora College as the college works with host primary schools as soon as outcomes are released.

Remaining on the reserve list

After 5 pm Thursday 18 January 2024 offers will be made only to students on a reserve list (or lists) who have not already accepted an offer.

Reserve band

Students on reserve lists are offered a place only if vacancies occur when other parents decline their offers. The 'Reserve band' column provides a general estimate for how long it might take to receive an offer from your child's position on the reserve list for that school. This is based on when students in a similar position were placed during the previous year's placement process.

Important

These are estimates only. The number and timing of declined offers vary from year to year.

The band estimates based on last year's reserve list movement are:

- A – within 1 month of the outcome notification
- B – within 2 months of the outcome notification
- C – within 3 months of the outcome notification
- D – within 4 months of the outcome notification
- E – offer not likely by the beginning of the year of placement

Important

There is no guarantee that all students within a reserve band will receive a placement offer as there are many students within each reserve band and offers are given in order of academic merit.

Reserve band

There are many students within each reserve band and they are given offers in order of academic merit.

You will need to be patient until your child's place is reached within the band.

Please let us know if the reserve band is showing X and you have not yet got an offer.

Performance report

As part of your outcome information, within your application dashboard, you will also see a link to your child's 'Performance report'.

The Performance report shows how your child performed in comparison to the other students who took the test in that year.

For each of the test components, the report shows that your child performed within one of 4 bands:

- top 10% of candidates
- next 15% of candidates
- next 25% of candidates
- lowest 50% of candidates.

The Performance report does not show the percentage of correct answers a child has achieved for any of the test components, rather how many other students performed within the same range.

The Performance report does not provide an individual's test scores or placement rank. Test scores or placement rankings are not available.

Appeals

If you believe you have grounds for an appeal against your child's outcome that are not related to test marking, first check the [Appeals](#) page on our website to ensure you have a valid reason for an appeal.

If you have a valid reason, complete the appeal form in your application portal within 7 days of your initial outcome notification.

Enrolment

Successful applicants are sent an 'Authority to attend' letter by email in late January next year. This letter confirms the student's entitlement to enrol in school where the offer was accepted.

Students must show the 'Authority to attend' letter to the school on the first day of school. You must also check the enrolment information on the school's website.

Schools may also contact you directly to invite you to their orientation day where you will receive information about the school and enrolment procedures. Some schools include students on their reserve lists in those invitations while others may not. However, being invited to the orientation day does not mean that you are guaranteed an offer from the reserve list.

Documentary evidence

At the time of enrolment, students who have accepted an offer are required to present proof of Australian citizenship or permanent residency in the form of a birth certificate, passport, visa grant notice or citizenship certificate. Evidence that the family resides in NSW is also required. Schools may also ask you if they need to see originals of photocopied documents you have supplied.

Important

Offers will be cancelled if based on false or misleading information.

Enrolment policy

The NSW Department of Education has a responsibility to assess and manage any risk of harm to its staff or students. This includes assessing and managing risks posed to students or staff by any student.

You will need to meet all of the NSW Department of Education enrolment conditions – learn more at [Enrolment](#).
