

## How to change selective high school choices

<b>Summary</b>	You can make changes to your application after you have submitted it, including changing school choices.
<b>How to access</b>	Log into your applicant dashboard
<b>Who can access</b>	Registered users who have an active application - either 'Submitted' or 'Updating'
<b>Details</b>	<p>1. Log in to the applicant dashboard 2. Click on the 3 dots under the 'Action' column on the right to bring up the menu 3. If the application status is 'Submitted', choose 'Update application'. If the application status is 'Updating', choose 'Complete application'</p>  <p>The screenshot shows the 'Applications' dashboard. At the top right, there is a search bar. Below it is a table with the following columns: Application number, Placement, Student, Status, and Action. The table contains one row for application S21123456, with placement 'Selective high school', student 'Alex Rider', and status 'SUBMITTED'. The 'Action' column for this row has a dropdown menu with three options: 'View application', 'Update application', and 'Withdraw application'. Red circles with numbers 2 and 3 highlight the dropdown icon and the 'Update application' option respectively.</p>

4. From the left hand menu, choose 'School selection'

5. Click on the school you want to change and start typing the name of your new choice. You cannot select the same school twice so you may have to delete all choices first and then re-select them in order of preference.
