NSW Department of Education

Submit your application in 5 easy steps

Selective high school and opportunity class applications.

1

Register to start your application

Parents and carers need to enter their own details to register (not their child's details).

2

Verify your email address

Go to your verification email. If you haven't received one, make sure to check your junk or spam folder.

3

Log in to start

Go to the application website and log in. Forgot your password? Select **Forgot password** to reset it.

4

Complete all the sections

Answer all the questions. You can save your progress and come back later to finish or make changes, even after you've submitted your application.

5

Submit your application

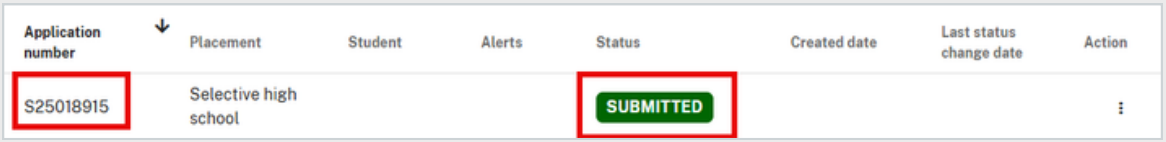
Check your confirmation email and dashboard message. You can return to the application dashboard to update details and documents as well as send and receive messages.

[Visit the Application dashboard]

Features of the application dashboard

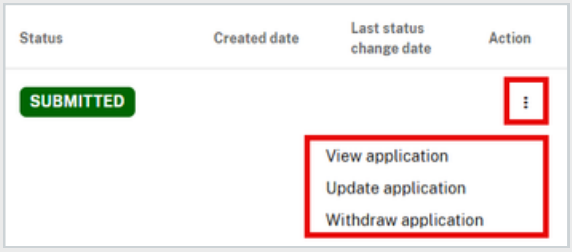
Status

When you log in to the application dashboard, you'll see your unique application number and the status of your application.



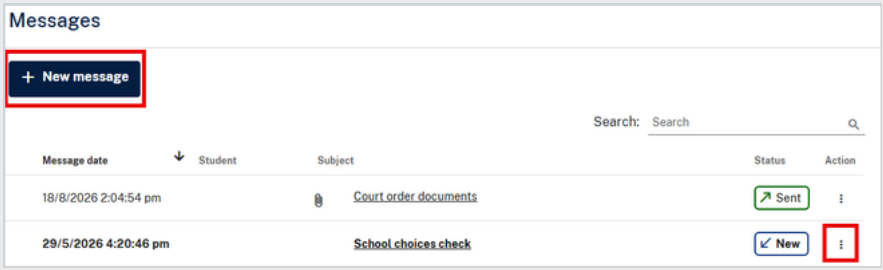
View, update or withdraw an application

View, update or withdraw your application at different stages of the process. Updating your application may include change of address or uploading documents.



Messages

For the quickest response to any questions you may have, message the Selective Education team through your application dashboard via **+New Message**.
To reply to a message, click the three dots under Action, and **Reply to message**.



Help and support

For step-by-step instructions, visit Using the application website.

For more support, send a message in your application dashboard or contact:
