**NSW Healthy School Canteen Strategy** 

# MENUCHECK

Short application form for individual schools serviced by licensed canteen providers

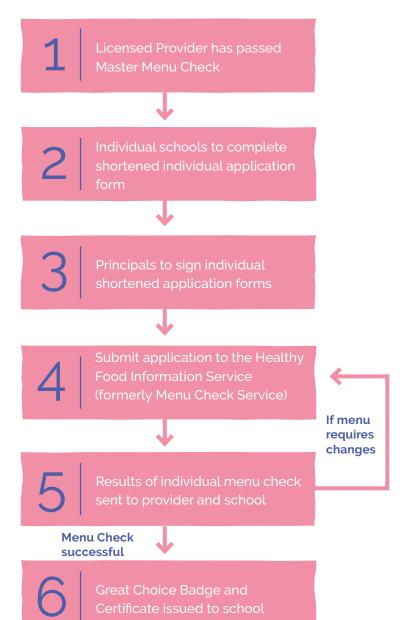

# APPLICATION PROCESS FOR SCHOOLS OPERATED BY LICENSED PROVIDERS

The Healthy Food Information Service (formerly Menu Check Service) is a free service that verifies whether a canteen menu is meeting the Food and Drink Criteria of the NSW Healthy School Canteen Strategy.

Once your licensed provider has submitted and passed the master menu check, your school can apply for an individual menu check using this form. You are only required to list any *additional* foods and drinks sold in your canteen that are not included on the master menu, as well as information on the marketing and promotion practices in your canteen.

Before completing this application, compare your canteen menu to your provider's master menu. Take note of any foods and drinks sold in your canteen that are not included on the master menu and check that they meet the Criteria (See **Appendix 1** for a list of the Criteria and helpful resources and support services). Also review your marketing and promotion practices to ensure that you are only promoting Everyday foods and drinks.

## **INSTRUCTIONS FOR SUBMITTING YOUR APPLICATION**

**Contact your licensed provider** if you are not sure if the master menu has been passed.

For help completing this form, contact your licensed provider or one of the support services available. See **Appendix 1** for contact details and resources.

Make sure your **Principal or their delegate signs**-see bottom of page 3.

The Service will assess your application and send a **Results Report** to you and to your provider within 15 working days of receiving your application.

If your application has not passed the menu check, the Results Report will provide feedback on the changes you will need to make.

You can re-submit for a second check when you have made the changes.

If your application passes the menu check, your school will receive the Great Choice badge and a certificate congratulating you on your achievement.
