#### Host employer declaration: Read the following and sign the document. I declare:

- I have read the <u>Workplace Learning Guide for Employers</u> and am aware of my rights and obligations to provide a safe and positive work environment for the student.
- If applicable, the vehicle in which the student is travelling is registered, the driver is licensed for the vehicle they will be driving, and provisional license holders comply with all their conditions.
- I will provide planned learning and skill development activities appropriate for the student under my supervision or that of a capable and trustworthy employee (not apprentice/trainee) briefed for the task.
- I confirm that the activities assigned are suitable for the student and that WHS risks have been assessed and managed in accordance with the Work Health and Safety Act 2011 (NSW).
- I will check any health care concerns with the student and ensure they and their supervisor know what to do in the case of an emergency i.e. where the student will keep their medication or adrenaline auto-injector-EpiPen.
- I will consult and cooperate with the school and will notify the school immediately of any health and safety incidents involving a student while on placement, including near misses.
- I will ensure that before the student commences their placement, they are provided a site-specific workplace induction and then with the appropriate information, instruction, training, supervision (and personal protective equipment where needed) throughout the placement.
- Lacknowledge that the student will not be paid during the placement.
- I will notify the school immediately if the student is ill, injured, absent without explanation or behaving inappropriately or I need to change sites or find asbestos on the site.
- I am not aware of anything in the background of any staff member or other person who will have close contact with the student that would preclude that staff member or person from working with children.
- I have informed employees of their responsibilities when working with children and young people.

## Section 7: EVET provider declaration and approval of the placement

- The student has been prepared for the workplace by the EVET provider to optimise the student's safety and achievement during their placement.
- Proposed activities have been checked, are safe and appropriate to the capabilities of the student.
- The placement is supported according to the Department's Workplace Learning Policy and Associated Documents and Forms.
- The EVET RTO will advise the school of any incidents affecting the safety of students, including near misses, while undertaking workplace learning. This will enable the school to implement the department's incident reporting procedures. In accordance with the Work health and safety policy, incidents must be reported as soon as possible but within 24 hours.
- The student has been issued with a Student Safety and Emergency Contact Card and trained how to use it by the EVET provider in collaboration with the school.
- Documentation of medical information, vaccinations, support or adjustments will be provided and shared with the host employer where relevant. If the student is diagnosed as being at risk of anaphylaxis, the EVET provider has confirmed with the school that the parent or carer has provided an adrenaline auto- injector for their child for the placement.
- The school has provided a copy of the student's current ASCIA Action Plan or health care plan cover sheet to the host employer as per parent/carers consent.
- The EVET provider will undertake a phone call or supervisory visit during the placement and follow up with the student after placement

I am satisfied that all the above have been completed and that all parts of this student	placement
record are complete and signed as required and that the placement is suitable for this st	udent.
