

# Learn, do, reflect template

This template supports community organisations and government agencies to plan using the 'Learn, do, reflect' cycle.

<b>Learn</b> Analysing the data	<b>Do</b> Applying expert knowledge	<b>Reflect</b> Reflecting on practice
<p>What are our observations about AEDC outcomes in our community?</p>	<p>What evidence can we draw on to triangulate the information? What resources or support will be required?</p>	<p>How will we reflect on our observations? How can we self-assess to inform the next steps of our planning?</p>
<p>Key domain outcomes</p>	<p>Approach to implementation</p>	<p>Reflection</p>
<p>Planned consultation and key stakeholders</p>	<p>Resources, structures and support</p>	

## Evaluation and next steps

As a team, how will we reflect on and evaluate our planning and implementation? What will we do next?

### Evaluation strategies

### Next steps
