

# Learn, do, reflect – leader template

This template supports leaders to plan using the 'Learn, do, reflect' cycle.

## Learn Analysing the data

What are my observations about AEDC outcomes in my community?

## Do Applying expert knowledge

What evidence can I draw on to triangulate the information? What resources or support will be required?

## Reflect Reflecting on practice

How will I lead colleagues to reflect on their observations? How can I support self-assessment to inform next steps?

### Key domain outcomes

### Focus teaching strategy

### Reflection

### Planned consultation and key stakeholders

### Resources, structures and support

## Leader evaluation and next steps

As a leadership team, how will we reflect on and evaluate our planning and implementation? What will we do next?

### Evaluation strategies

### Next steps
