

Learning every day in every way through play

Learn about your culture as well as others

Look at a map or globe with your child and discuss different cultures and ways of living, thinking and being. You might like to focus on countries and cultures that have meaning for your family.

More activities like this:

- Talk about difference around the world but also within our own country, community and family.
- Find a recipe for a dish from another culture and make it with your family.
- Find out how to say hello in different languages.
- Explore cultural celebrations from different countries.

What children are learning:

- Awareness of similarities and differences between different cultures
- Respect for other people's ideas and ways of doing things
- Being inclusive of others
- Geography and knowledge about the world
