# Graphic notation

## Score one

A							
B							

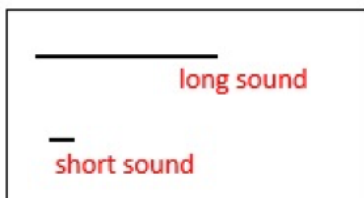

## Score two

A		bip bop			bip bip	
B				AAARGHH!!		

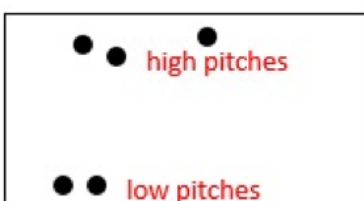

## Handy Hints

Three common ideas exist using *any* symbol.

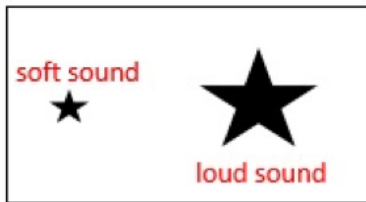

1. The length determines the duration.

2. The height determines the pitch.

3. The size determines the dynamics (volume).

### Score activity

With a partner, notate the graphic score below for vocals and body percussion.

<b>A</b>						
<b>B</b>						

Swap your composition with another group to learn and perform their work.
