		What instrument has the melody? What instrument has the harmony?
	When I need motivation My one solution is my queen 'Cause she stay strong (yeah, yeah) She is always in my corner Right there when I want her All these other girls are tempting But I'm empty when you're gone And they say	What instrument is taken away in this section? What instrument is added?
	Do you need me? Do you think I'm pretty? Do I make you feel like cheating? And I'm like no, not really cause	How does the piano part change in this section?
	Oh I think that I found myself a cheerleader, She is always right there when I need her	
	She walks like a model She grants my wishes like a genie in a bottle (yeah, yeah) 'Cause I'm the wizard of love And I got the magic wand All these other girls are tempting But I'm empty when you're gone And they say
