No customers. What could be so special about Polly's? I need to find out what's going on inside that place.

What! I need you to go on a super-secret, desk-cover mission of the utmost importance. We need you to pretend to be a normal, everyday barbershop customer and sneak into Polly's.

I need to know what's going on inside that place. I need to know EVERYTHING! New job.

What's going on here? You're a barber!

Rings ring ring ring!

The hairdressers are so weary...

The haircut is not cheap.

What are you doing here? You're a barber!

Good work. Let me... What do you want that for?

Hey! Um... Why are you waiting here?

What are you doing here? You're a barber!

Take off that hat or I'll tell everyone.

I just couldn't help it. Um...

Isn't it amazing?

Oh my! I didn't think the Octopus was quite that possible. We're in trouble. This kid means business!
Mars! I have a new plan. It's dangerous and will require a disguise, but it will get our customers back.

Go on...

Take the suave and pocket of stuffed bears...

Wait in the customer's chair. Here's what you do...

Boo!

Next customer...

Okay, stuffy. Time for your shampoo.

Um... I can't move my hands.

Um... I'll be with you in a moment. Please sit down.

Oh! I know our special shampoo. It's made right here on the premises, using only the finest natural materials.

Feel free to run your fingers through your hair. How good does the shampoo feel?
