

BALLINA COAST HIGH SCHOOL

OUR LEARNING JOURNEY

JOURNEY SUMMARY

Newly designed learning spaces provide the alignment of space and pedagogy to support students and staff in collaborative, personalised and integrative practices that celebrate the social nature of learning.

JOURNEY FOCUS AREAS

- ✦ To engage students in learning through increased voice and choice.
- ✦ Utilise space that celebrates the social nature of learning, the strength of collaboration and the need for personalising learning.

MILESTONES A

Extensive research on best practices - globally and nationally

Ideas drafted about curriculum possibilities

Trialled new spaces with new pedagogical approach in Year 7

Gathered data on curriculum and furnishings

Developed Year 8 design

MILESTONES B

Redesigned stage 4 curriculum

Reconfigured existing classrooms

MILESTONES C

POSITIVE IMPACT

IMPACT

- Engaged stage 4 learners
- Independent learners
- Use of learning coaches and hub
- Strong teaming and collaborative approaches.

EMOTIONS

- Fear of the unknown
- Fear of failing.

MAIN CHALLENGES AND SOLUTIONS

Encouraging staff to step into the new spaces... supported by others
