Disclaimer: [ASEPA](#) (Australian Special Education Principals Association) have joined together with UK-based [nasen](#) ([National Association for Special Educational Needs](#)) to work in partnership to crowd-source free resources that may be useful in supporting children with complex and/or additional learning needs.

## Who is this resource for?

This is a Teaching and learning resource developed to support early childhood educators around Australia. The website offers you a range of content aligned with priorities in early childhood pedagogy. It is also linked to relevant series on ABC iview and provides direct links to Play School Through the Windows films; and to these curriculum areas:

1. Family, Community and Culture
2. Sustainability and Nature
3. Creativity and Self-Expression
4. STEM (Science, Technology, Engineering and Mathematics)
5. Health and Wellbeing

Informed by National approved learning frameworks and the inspiring big ideas driving early childhood curriculum in Australia and internationally, ABC Kids content reflects the diverse interests and perspectives of a young audience.

## Tips for parents or carers

The big ideas within curriculum areas are linked to ABC episodes and to different learning activities. This resource including '**Notes for Educators**' are available to help extend ideas emerging from our shows and podcasts. These resources help you delve a little deeper – facilitating deeper understandings and promoting ongoing discovery. This is illustrated below using the family, community and culture theme.
