

# T4L Support Guides

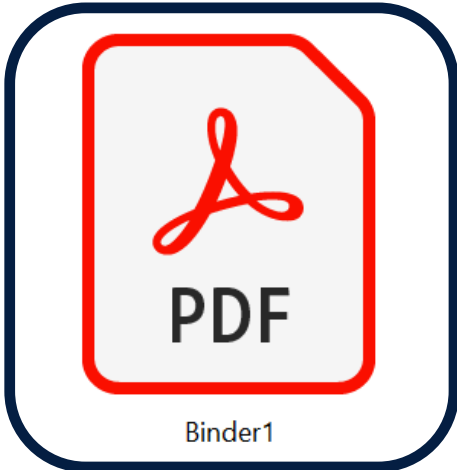

## Adobe Acrobat Pro

\*Requires Creative Cloud Licence

### Edit Text and Images

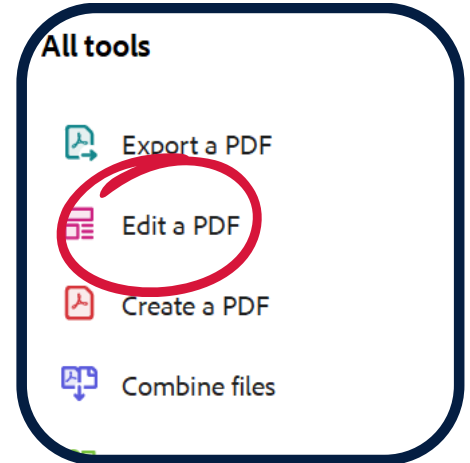

#### Step 1

Open the PDF file by double clicking on it.

#### Step 2

In the **all tools** menu select **edit a PDF**.

#### Edit Text

Select and highlight text then make changes using the **edit** menu.

#### Edit Images

Select an image to make changes using the **edit** menu.

#### Add Text

Add new text boxes using the **text** option in the **add content** menu. Simply tap your cursor where you'd like the text to appear and use the **edit** menu to format your text.

#### Add Images

Add new images using the **image** option in the **add content** menu. Simply locate the image from your file explorer and drag the image. Use the handles to resize and rotate.
