

ASSISTED STUDENT TRAVEL PROGRAM

REGISTRATION OF INTEREST IN BECOMING A SERVICE PROVIDER

Background

The Department of Education and Communities is a New South Wales Government Department, subject to the direction and control of the Minister for Education.

The Department aims to meet the needs of students, industry and the community through the provision of a range of quality programs and services that are supported by relevant curricula, comprehensive teacher skills, modern facilities and skilled management. The Department delivers educational services across NSW through more than 2,240 schools. The Department supports the national vocational education and training system and promotes effective participation of industry and the community in educational planning.

The Assisted School Travel Program is administered centrally for services across New South Wales by the Assisted School Travel Program (ASTP) located at the Department's Wollongong State Office, 84 Crown Street, Wollongong, NSW 2500.

ASTP provides services to support the travel needs of eligible students with disability to access education throughout New South Wales. Services are currently provided to an average of over 10,500 students, attending over 700 Government and Non-Government schools throughout NSW daily during school terms.

Assisted school travel services are provided for eligible students to travel between home and school with a maximum of two trips per day. The Department currently engages through contractors to provide more than 2,300 transport services (Runs) daily.

COMPLIANCE AND CAPACITY QUESTIONNAIRE		YES/ NO
1.	<p>Public Liability Insurance</p> <p>The Assisted School Travel Program requires all operators to have Public Liability Insurance to the value of \$20 million. This is a mandatory requirement under the program.</p> <ul style="list-style-type: none"> Before an operator can be allocated a Transport Run the Department of Education and Communities (the Department) requires evidence that you have obtained the required Public Liability Insurance. Further Information on Public Liability Insurance can be found at http://www.legislation.nsw.gov.au/ <p>Q: Do you currently have Public Liability Insurance to the value of \$20 Million?</p> <p>Q. If you do not currently have Public Liability Insurance are you prepared to obtain the required Insurance?</p> <p>Q. If you are to acquire insurance how much notice do you require to obtain the insurance?</p> <p>_____</p>	
2.	<p>Workers Compensation Insurance</p> <p>Workers Compensation provides protection to workers and their employers in the event of a work related injury or disease.</p> <p>It is a legislative requirement under Workers Compensation Act 1987 No 70 for the operation of all business' to provide Workers Compensation insurance for the protection of all employees. The department deems it mandatory to provide this insurance and you will be required to provide supporting documentation on compliance assessment.</p> <p>Full details of this requirement can be sourced on NSW Local Government Work Cover Authority website: http://www.workcover.nsw.gov.au/aboutus/workerscompensation/Pages/default.aspx</p> <p>The workers compensation system operates under the <i>Workers Compensation Act 1987</i> and the Workplace Injury Management and Workers Compensation Act 1998.</p> <p>Q: Do you and your sub-contractors have Workers Compensation Insurance for all employees?</p>	
3.	<p>Communication</p> <p>It is necessary for the department to have reliable and sustained communication with contractors/drivers under the Assisted School Travel Program.</p> <ul style="list-style-type: none"> The department requires that the contractors and drivers have internet and email facilities for timely communication That contractors and drivers provide a daily communication system via two way radio or mobile phone when providing the service That contractors and drivers have sufficient language skills to enable oral communication with students, parents/carers and school staff, taking into consideration the special behavioural and medical needs of students with disability <p>Q: Do you have email and internet facilities?</p>	

<p>4.</p>	<p>'Business Use' Registration</p> <p>The department requires that all vehicles participating in this program must have a current 'business use' registration in the State or Territory where the vehicle is garaged (<i>where the nominated vehicle is not otherwise used for substantially private purposes</i>)</p> <p>Q: Are or will all vehicles offered for use registered for "business use"?</p>	
<p>5.</p>	<p>Comprehensive Motor Vehicle Insurance - 'Business Use'</p> <p>The department requires that all vehicles operating under the Assisted School Travel Program MUST be covered by a current comprehensive motor vehicle insurance policy which covers damage caused by all drivers utilising the vehicle in the provision of the Service. (Note: Taxi insurance should be as per the Special Conditions at Schedule 4 to Part D of the EOI)</p> <p>Q: Do or will all vehicles offered for use have comprehensive motor vehicle insurance for "business use"?</p>	
<p>6.</p>	<p>Vehicle Age</p> <p>The department requires that any vehicle participating in the program does not exceed 15 years of age at any point during the validity of the Eligible Service Providers (ESP) list. Taxicabs and Hire Cars are exempt from this requirement and must comply with the requirements of the Passenger Transport Act 1990. Contractors will be required to identify replacement vehicle/s once the nominated vehicle has exceeded the 15 year age requirement. The department may, at its discretion, consider granting exemptions from this vehicle age requirement in circumstances where vehicles over 15 years of age have been modified, are well maintained or have been assessed as fit for the purpose of providing transport services, for example, a bus that has been fitted out to carry wheelchairs. The department requires that any modifications to vehicles must have a current (less than 3 years old) Engineering Certificate from a Roads and Maritime Services recognised engineering signatory, covering all modifications, including restraint systems, lifts and ramps.</p> <p>Vehicles with wheelchair carrying capacity must also meet the following requirements:</p> <ol style="list-style-type: none"> i. all wheelchair restraint systems MUST include occupant restraints and be used and fitted in accordance with Australian/New Zealand Standard™ AS/NZS 10542.1:2009.
