

# Who, What, Where, When, Why and How

**Who** (is ... speaking, doing, thinking, feeling)

**What** (is ... happening, the result, being referred to)

**Where** (is ... it happening, it located)

**When** (did ... it happen, they say that, they do that)

**Why** (did ... they say that, act that way, respond that way, include that)

**How** (did ... this occur, the author/characters feel, the author/characters act or react)
